### What is ME North East easyfundraising?

You can think of it as a shopping mall - almost like an online equivalent to the Metrocentre! Most of your favourite internet shops can be found there - Amazon, Play, Next etc. - even office stationery suppliers such as Viking-Direct.

When you go to the shop through a link on our easyfundraising page the retailers donate a percentage of your spend with them to ME North East - there is no charge to you at all and none of your details are passed either to us or easyfundraising.

It's safe, secure and about as easy as fundraising gets! So far over the last few months our members have helped us raise over £600, all by one extra click when they shop.

Please consider registering, talk to your friends, family or workplace to see if they can help too and bookmark our easyfundraising page:
